### Prestigious Product Spotlight

#### Snowman Cooler

St. James, MO

Located in Phelps County, Missouri, Snowman Cooler has been custom manufacturing and designing high-quality and economically built commercial storage units since 2005.

All freezers and coolers are preassembled in their factory to ensure that modular panels fit securely. Then, after rigorous inspection, all parts are packaged and labeled for a final on-site assembly. Accessories to your Snowman Cooler could include ramps, display doors, LED lighting, and more!

Snowman Cooler will tailor their products to meet your needs, while also exceeding industry standards.

To reach Snowman Cooler, call 800-722-9176 or visit [snowmancooler.com](http://snowmancooler.com)

### Conversation with Kehoe

"The Buy Missouri program is intended to encourage Missourians to purchase Missouri-made products in support of those who create, grow, manufacture, distribute, promote and sell goods made in Missouri.

As I travel to visit many of your companies, I am always amazed at your initiative and ingenuity. I am proud and honored to support the Buy Missouri program and to work alongside each of you."

*Michael Kehoe*
