Conversation with Kehoe

"Many of you have asked questions about bidding on state contracts. I encourage you to take advantage of MissouriBUYS, a statewide, web-based eProcurement system. All Division of Purchasing's bid opportunities are posted on the public MissouriBUYS Bid Board and all contracts are posted on the public MissouriBUYS Contract Board. Other state agencies' bids and contracts are also available on these boards. A link to this website can be found on the buymissouri.net homepage."
