### Conversation with Kehoe

“Reflecting on the past year, there is no doubt that 2020 was more challenging and unprecedented than so many others.

However, Buy Missouri and its members are an incredible symbol of hope for the small business community across the state. We have added over 110 new businesses since January – from metal fabrication to woodworking to candle making and more, the talent and craftsmanship of Buy Missouri members.

I wish all of you a safe, healthy and happy New Year. I am hopeful for what 2021 will bring.”
