Prestigious Product Spotlight

Peaceful Bend Vineyard

Steelville, MO

Located in Crawford County, MO, what began as a livestock operation in the 1940s with an incredible history, is now known as Peaceful Bend Vineyard.

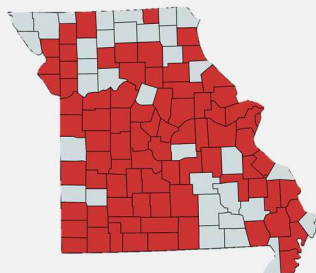

Clyde and Katie Nott create wines by keeping with the original owner's vision: Missouri-grown grapes made into blended wines which are named after the different creeks and rivers that surround the tasting room. After a fire destroyed the main historic building in 2016, the Notts picked up the pieces, re-built, and are proud to have expanded their business to include craft beer and an eatery.

Peaceful Bend Vineyard has a passion for creating blends in the 'old world' style of winemaking, where flavor and balance are valued, while still bringing Show-Me state fun into the mix. They also purchase their meats and seasonal produce from small, mid-Missouri farms, ensuring great flavor while also benefiting the environment and local economy.

To reach Peaceful Bend Vineyard, feel free to call (573) 775-3000 or visit peacefulbend.com

Conversation with Kehoe

"I continue to be surprised and impressed with the businesses that become members of the Buy Missouri program. I enjoy learning about your inspiring stories and the incredible products you are manufacturing right here within our borders. If you are a new member, we are thrilled to have you as a part of the program and hope, in at least some small way, to help grow and promote your business to citizens around the state and the nation.

We are almost a month away from the 2nd Annual Buy Missouri Day at the Capitol. The RSVP Deadline is March 2nd, so if you are currently a Buy Missouri member and hope to participate, be sure to RSVP if you have not already. I am looking forward to seeing you there!"
