Buy Missouri Retail Partnership

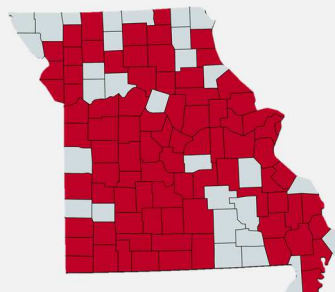

This month we are excited to launch the highly-anticipated Buy Missouri Retail Partnership. The Retail Partnership is a natural next step to the Buy Missouri program and was created to showcase and promote small businesses who sell Missouri-made products. The intent of this partnership is to further encourage Missourians to shop local.

Conversation with Kehoe

"I would like to thank each of you for contributing to another successful Buy Missouri Week. I enjoyed spending the week learning more about your businesses and encouraging citizens around the state to purchase local, Missouri-made products. The third annual Buy Missouri week brought with it new members, and I would like to welcome each of you to the program.

As a part of Buy Missouri Week, we launched the Buy Missouri Retail Partnership. I am excited to release this new component of the program and with the holiday season approaching, we hope this partnership will bring additional awareness to your businesses and products. I will continue to encourage Missourians to shop, eat and travel within our state's boundaries, as MO has many fantastic products and businesses to share."
