### Conversation with Kehoe

“Happy New Year to all of our Buy Missouri members and partners. In January of 2020 we started the year with 284 members. We are now starting 2021 with over 400 members and still growing. This continued growth is a testament to the hard work and effort each of you has put into your businesses and to our state.

I am looking forward to what 2021 will bring and will always encourage citizens to buy local, whether that be directly from a Buy Missouri member or from one of our new Retail Partners.

We are tentatively planning to host Buy Missouri Day at the Capitol on April 21<sup>st</sup>. We will be making a definitive decision closer to that date as to if this will be an in-person or virtual event. Keep an eye out for an email with updates regarding the event.”
