Prestigious Product Spotlight

Wool Shop
Grant City, MO

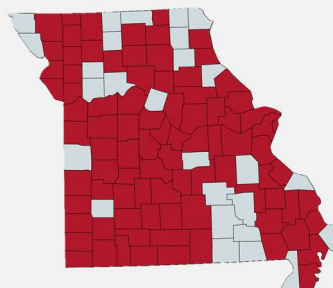

The Andrews family has been actively involved in the sheep industry for four generations. Since 1983, Wool Shop, located in Grant City, has grown to become an industry leader in manufacturing wool cleaning products.

Wool fibers are extremely elastic and resilient, naturally creating a long-lasting and durable product. Wool Shop harnesses the unique dust grabbing ability of wool fiber and its hundreds of microscopic, overlapping scales that naturally trap and hold dust particles. As a new member, Wool Shop has officially put Buy Missouri on the map in Worth County.

Conversation with Kehoe

"I would like to sincerely thank everyone who participated in, and helped promote, Buy Missouri Day at the Capitol. We have had great interaction with the video presentation, as well as increased traffic to the Buy Missouri website and social media channels. We are excited to continue spreading the word about your incredible businesses, and intend to keep the momentum going! If you were unable to watch the premiere of the video, it can still be found on the [BuyMO Day 2021](#) tab of the buymissouri.net website. I encourage you to view it and learn more about some of the great manufacturers and retail locations throughout Missouri."
