Conversation with Kehoe

"I have enjoyed visiting with many Buy Missouri members and retail partners over the last few months. It has been interesting learning more about your businesses and the great products manufactured here in MO. Please feel free to reach out to my office if you are interested in sharing more about your products with us – we would be happy to stop by and visit.

I am excited to see many of you at the State Fair next month. Be sure to stop by and visit the Buy Missouri booth in the Ag building.

We also have an exciting opportunity coming soon – keep a look out for an email with more information!"
