Prestigious Product Spotlight

Hann Made Calls, LLC
Clinton, MO

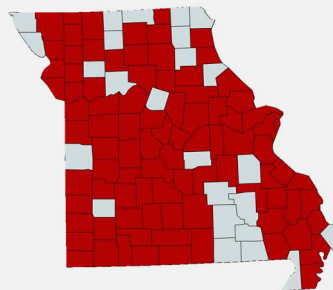

Hann Made Calls, LLC, located in Henry County, has been creating a variety of fine game calls since 2009. Their selection includes hand-crafted duck, goose, turkey, deer and coyote calls. Hann Made Calls also manufactures other unique turned goods and gifts, such as bottle stoppers.

Owner, Lucas Hann, learned the art of waterfowl calling at an early age and was taught the art of woodworking from his father and grandfather. His ability to design game calls has created a high demand for custom pieces, so between Luke, his brother Jake, and their incredible team, Hann Made Calls has something for nearly every sportsman.

Conversation with Kehoe

"Claudia and I had a great time visiting with many of you throughout the MO State Fair. Thank you to everyone who stopped by the Buy Missouri booth and congratulations to Pam of Pattonsburg, MO who was the winner of the Buy Missouri gift basket. Be sure to visit the Buy Missouri social media to find out which MO-made products were included in this year's giveaway.

Just a reminder that Buy Missouri week is quickly approaching. In 2017, legislation was passed designating one week in October of every year as Buy Missouri Week. We plan to visit with many of you, as well as continue promoting the incredible products made right here within our borders, during Buy Missouri week 2021."
