### Conversation with Kehoe

"The fourth annual Buy Missouri Week was a success. Thank you to all of the businesses who allowed us to visit throughout the week, and for teaching us more about your fantastic products. Buy Missouri Week allows me the opportunity to meet many of you, and to learn more about the incredible products you manufacture right here in MO.

During Buy Missouri Week, we visited Persimmon Hill Farm in Lampe, a fruit and berry farm that also grows their own shiitake mushrooms. We also visited Dogwood Shooting Supply in Knob Noster where we were able to see the ammunition manufacturing process from start to finish. It is interesting stories like these, and talented people like you, that continue to make the Buy Missouri program, and this state, so great."
